Section 1.1. Exception re Last Day. The last day of the term of each license granted to any Grantor with respect to any Canadian Intellectual Property Collateral shall be excepted for the grant of security and shall not form part of the Intellectual Property Collateral. Each Grantor shall stand possessed of that day in trust to assign and dispose of it as Agent directs.

Section 1.2. License/Assignment of Intellectual Property. For the purpose of enabling Agent or any Receiver to exercise the rights and remedies under this Agreement or the Revolving Credit and Security Agreement (including, without limitation, in order to take possession of, hold, preserve, process, assemble, prepare for sale, market for sale, sell or otherwise dispose of Intellectual Property Collateral) at such time as Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to Agent, for the benefit of Agent and Lenders, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any Intellectual Property Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout hereof. In addition, upon receiving written demand from Agent after a default has occurred, each Grantor shall assign the Intellectual Property to whomever Agent directs, including to Agent. Each Grantor appoints any officer or director of Agent to be its attorney in accordance with applicable law including the *Powers of Attorney Act* (Ontario) with full power of substitution and to do on such Grantor's behalf anything that is required to assign, license, sublicense or transfer, and to record any assignment, license, sublicense or transfer of, the Intellectual Property Collateral. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the security interests in favor of Agent.

Section 1.3. Attachment. The security interest created hereby is intended to attach when this Intellectual Property Security Agreement is signed by Grantors and delivered to Agent.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer in any applicable jurisdiction including, without limitation, the Canadian Intellectual Property Office, record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

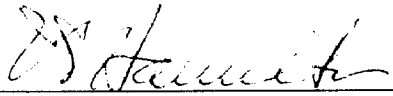

Section 4.1. Copy of Agreement. Each Grantor hereby acknowledges receipt of a copy of this Intellectual Property Security Agreement.

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Revolving Credit and Security Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Revolving Credit and Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Revolving Credit and Security Agreement, the provisions of the Revolving Credit and Security Agreement shall govern.
